# Introducing Tap to Pay

Our new cards are easy and contactless, no need to swipe or insert. Members with newly issued bank cards can now tap to pay at participating retailers. Look for the 4 curved lined image like this:  If your card & the retailer have those lines, simply tap your card on their machine to pay. No buttons, no PIN, no signature, just a tap.

# Hello Summer

## 5 Summer Saving Tips

Eat at home and attend matinee movies.

Ditch the gym and exercise outside. Benefits include improved energy and mental health!

Replace your air conditioning filters to improve your running time and decrease your bills.

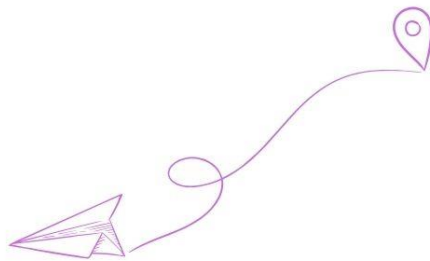

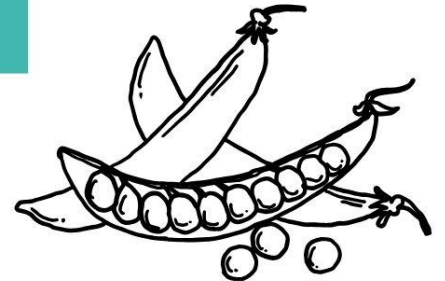

Each 5 mph over 50 mph is like spending an extra \$0.16 per gallon of gas. Slow down to be safe and save money.

Buy winter clothes such as coats, gloves, and boots during the summer to save up to 50%

YOU STILL HAVE  
TIME TO PLANT!

Beets,  
Green Beans,  
Summer Squash  
and Carrots  
still have time to  
grow a small  
bounty before  
the first frost of fall.

Traveling? Be sure  
to let us know so  
you have access to  
your funds while having fun
